

Greetings,

My Name is Srood Sherif, a Bank Officer here in Abu Dhabi, in United Arab Emirates. I am writing, following an opportunity in my office that will be of an immense benefit to both of us.

In my department I discovered an abandoned sum of US\$12,700,000.00 (Twelve Million, Seven Hundred Thousand US Dollars) in an account that belongs to one of our foreign customers Late Mr. Amir Khouri an Iraqi businessman who unfortunately lost his life in the May 26, 2006 Earthquake disaster in Jawa, Indonesia that killed over 5,000 people. He was in Indonesia on a business trip and that was how he met his end.

The choice of contacting you is aroused from the geographical nature of where you live, particularly due to the sensitivity of the transaction and the confidentiality herein.

I personally have been un-successful in locating the relatives for 2 years now. The information I got from the Iraqi Government was that none of his family member survived the 2 Gulf wars. Therefore I seek your consent to present you as the next of kin / Beneficiary so that the proceeds of this account valued at US\$12,700,000.00 can be paid to you instead of letting the bank confiscate the money since nobody has shown up for the claim or applied in writing for 4yrs since the Earthquake happened.

Regarding the sharing, I am not a greedy person, so I am suggesting we share the funds equal, 50/50% to both parties. All I require now is your honest Co-operation, Confidentiality and Trust to enable us sees this transaction through. I guarantee you that this will be executed under a legitimate arrangement that will protect you from any breach of the law.

Your urgent response will be highly anticipated and appreciated and please ensure you keep this business very confidential.

Best regards,

Srood Sherif.
