

These are the credentials I use to log into the survey site:

Webpage: <https://survey.fsfe.org/index.php/admin/index>

Username: katerina

Password: UrqITUORIfsT

Once you entered the survey click here:

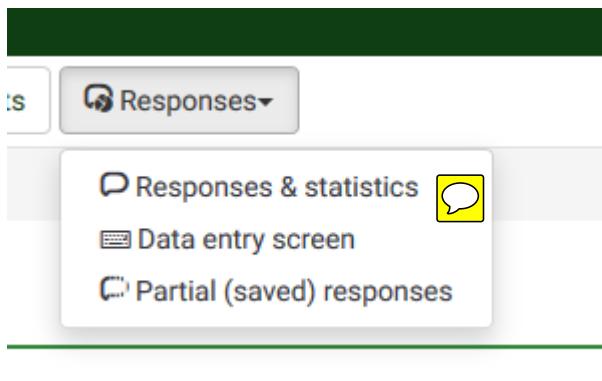

The screenshot shows a table with one row of data. The columns are: Survey ID (checkbox), Status (Active), Title (FOSS4SMEs: Questionnaire), Created (13.11.2017), Owner (admin), Anonymized responses (No), Partial (16), Full (33), Total (49), and Closed group (No). A yellow speech bubble icon is overlaid on the title column. Below the table is a button labeled 'Selected survey(s)...' and a footer with 'Displaying 1-1 of 1 result(s)', '10 rows per page', and a dropdown menu.

Then click here:

The screenshot shows the main survey interface for 'FOSS4SMEs: Questionnaire'. On the left is a sidebar with links like Survey, Questions and groups, Question explorer, List question groups, List questions, Question organizer, Survey participants, and Return to survey list. The main area has a header with survey properties, tools, display/export, survey participants, and responses. Below is a 'Survey quick actions' section with a warning message: 'Warning! While the survey is activated, you can't add or remove a group or question.' It includes buttons for 'Add group' and 'Add question'. To the right is a 'Select your template:' section showing 'LimeSurvey' and 'Flat and modern'.

Then click here:

Responses and statistics

Then select the language of the responses:

Browse responses: FOSS4SMEs: Questionnaire
